

ORDINANCE NO. 16, 2012

REGULATING CRIMINAL CONDUCT IN SEXUALLY ORIENTED BUSINESSES

EFFECTIVE SEPTEMBER 26, 2012

(I) PURPOSE AND INTENT

(A) In enacting this Ordinance, pursuant to Section 715.55 of the Ohio Revised Code, the Village Council makes the following statement of intent and findings:

(1) Adult entertainment establishments require special supervision from the public safety agencies of the Village of Cleves in order to protect and preserve the health, safety, morals, and welfare of the patrons and employees of the businesses as well as the citizens of the Village of Cleves.

(2) The Village Council finds that adult entertainment establishments are frequently used for unlawful sexual activities, including prostitution and sexual liaisons of a casual nature.

(3) The concern over sexually transmitted diseases is a legitimate health concern of the Village that demands reasonable regulation of adult entertainment establishments by the Village in the specified manner, and expanded authority for reasonable regulation of adult entertainment establishments by local governments, in order to protect the health and well-being of the citizens.

(4) Minimal regulations enacted by the Village are a legitimate and reasonable means of accountability to ensure that operators of adult entertainment establishments comply with reasonable regulations and to ensure that operators do not knowingly allow their establishments to be used as places of illegal sexual activity or solicitation.

(5) There is convincing documented evidence that adult entertainment establishments, because of their very nature, have a deleterious effect on both the existing businesses around them and the surrounding residential areas adjacent to them, cause increased crime, particularly in the overnight hours, and downgrade property values.

(6) The Village Council desires to minimize and control these adverse effects by regulating adult entertainment establishments in the specified manner. And by minimizing and controlling these adverse effects, the Village Council seeks to protect the health, safety, and welfare of the citizenry; protect the citizens from increased crime; preserve the quality of life; preserve the property values and character of surrounding neighborhoods; and deter the spread of urban blight.

(7) The Village Council has determined that current local zoning and other locational criteria do not adequately protect the health, safety, and general welfare of the people of the Village and that expanded regulation of adult entertainment establishments is necessary.

(8) It is not the intent of the Village Council in enacting this act to suppress or authorize the suppression of any speech activities protected by the First Amendment, but to enact content-neutral statutes that address the secondary effects of adult entertainment establishments.

(9) It is not the intent of the Village Council to condone or legitimize the distribution of obscene material, and the Village Council recognizes that state and federal law prohibits the distribution of obscene materials and expects and encourages state law enforcement officials to enforce state obscenity statutes against any such illegal activities in this state.

(B) It is the intent of the Village Council in enacting this Ordinance to regulate in the specified manner adult entertainment establishments in order to promote the health, safety, morals, and general welfare of the citizens of the Village of Cleves and establish reasonable regulations to prevent the deleterious secondary effects of adult entertainment establishments within the Village. The provisions of this Ordinance have neither the purpose nor effect of imposing a limitation or restriction on the content of any communicative materials, including sexually oriented materials. Similarly, it is not the intent of the Village Council in enacting this Ordinance to restrict or deny, or authorize the restriction or denial of, access by adults to sexually oriented materials protected by the First Amendment, or to deny, or authorize the denial of, access by the distributors and exhibitors of adult entertainment and adult materials to their intended market. Neither is it the intent nor effect of the Village Council in enacting this Ordinance to condone or legitimize the distribution or exhibition of obscene material.

(C) Based on evidence concerning the adverse secondary effects of adult uses on communities presented in hearings and in reports made available to the legislature and subsequently adopted by the Ohio General Assembly as findings under Section 3 of House Bill 23 (and on findings incorporated in the cases of *Township of Littleton, Colorado v. City of Grand Rapids, Michigan Decency Action Council* (6th Cir. 2008), 526 F.3d 291; 729, *Inc. v. Kenton County Fiscal Court* (6th Cir. 2008), 515 F.3d 485; and *Andy's Rest. & Lounge, Inc. v. City of Gary* (7th Cir. 2006), 466 F.3d 550, and the Village Council's independent review of the same) the Village Council finds:

- (1) Sexually oriented businesses, as a category of commercial uses, are often associated with a wide variety of adverse secondary effects including, but not limited to, personal and property crimes, prostitution, potential spread of disease, lewdness, public indecency, illicit drug use and drug trafficking, negative impacts on surrounding properties, urban blight, litter, and sexual assault and exploitation.
- (2) Illegal and unsanitary acts involving nudity, including lewd conduct, masturbation, oral and anal sex, occur at unregulated sexually oriented businesses, including those businesses which provide private or semi-private rooms, booths, or cubicles for viewing films, videos, or live performances.
- (3) Each of the foregoing negative secondary effects constitutes a harm which the Village of Cleves has a substantial government interest in preventing and/or abating. This substantial government interest in preventing secondary effects, which is the Village's rationale for this ordinance, exists independent of any comparative analysis between sexually oriented and non-sexually oriented businesses. Additionally, the Village's interest in regulating sexually oriented businesses extends to preventing future secondary effects of either current or future sexually oriented businesses that may locate in the Village of Cleves. The Village Council

finds that the cases and documentation relied on in this ordinance are reasonably believed to be relevant to said secondary effects.

(4) The enactment of this Ordinance will promote the general welfare, health, morals, and safety of the citizens of the Village of Cleves.

If the offender does not touch a specified anatomical area of the patron or employee, or the clothing covering a specified anatomical area, a violation of Section (III), sub-sections (F) or (G) of this Ordinance is a misdemeanor of the fourth degree.

(C) Whoever violates Section (III), sub-section (I) of this Ordinance is guilty of illegally operating a sexually oriented business, a misdemeanor of the first degree.
